

RECYCLING GUIDELINES

Please consider the following guidelines for usage of the center:

- The Center is for use by the residents of Ripley and Franklin Counties only
- Batesville residents may drop off (during business hours) "difficult disposal" items such as tires, electronics, refrigerant bearing items, rechargeable and auto batteries, fluorescent bulbs, grocery bags.
- Containers (parked at the front of the building) are for standard recyclable items. These containers are ONLY for the use of residents who DO NOT have curbside recycling available to them.
- TRASH is NOT to be placed in the recycling containers at any time. Security cameras are utilized to prevent abuse.
- Please obey all signage regarding traffic flow and parking at the center.
- Please note the non-acceptable and acceptable items for recycling listed in this brochure and on the containers.
- Please note the holiday closings listed in this brochure and posted in the facility.
- No recyclable materials are available for removal. Once material has been dropped off it is to remain in the facility and/or the containers.

WHAT WE DO

RECYCLING

- Staffs and maintains 8 Recycle Centers
- Collects recyclables at 60 schools weekly
- Assists in 14 satellite recycling locations

DIFFICULT DISPOSALS

- Provides the opportunity for residents to dispose of "difficult" items that are potentially harmful to human health and our environment.
- Such items include: Household Hazardous Waste, Tires, Batteries, Automotive Oil/Fluids, Electronic Waste, Pharmaceutical Waste, Refrigerant Bearing Items, Mercury, etc.

EDUCATION

To waste, to destroy our natural resources, to skin and exhaust the land instead of using it so as to increase its usefulness, will result in undermining in the days of our children the very prosperity which we ought by right to hand down to them amplified and developed.

~Theodore Roosevelt
