What is Indiana Master Naturalist?

WHAT? The Indiana Master Naturalist is a volunteer program which trains adults about Indiana's natural resources, teaches members how to educate others, and provides opportunities to serve our local, state, and federal natural resource agencies.

WHY? As a Master Naturalist you will gain new knowledge of Indiana's plants, wildlife, geology, and geography. You will also meet others with similar interests. Additionally, you have the opportunity to "give back" to local conservation efforts.

HOW? To become a certified Indiana Master Naturalist you will need to:

- Complete the 27 hour course. (80% of classes/activities must be attended)
- Complete 27 hours of volunteer service with a natural resources organization. (May be completed after the course)
- Take the (open book) test during the final class session.

Course Schedule

Classroom Sessions

Each Monday (March 13 thru April 17) evening from 6-9pm at the Southeastern Indiana Recycling District offices in the Jefferson Proving Grounds.

Field Trips

Saturdays (9am-12pm) as follows:
March 18 at Big Oaks NWR
April 1 at Clifty Falls SP
April 8 at Muskatatuk NWR

Course Topics

- Tree Identification
- Wildlife Habitat
- Frogs
- Conservation Practices
- Indiana Raptors
- Using a Map & Compass
- Recycling our Resources
- Wetlands
- Butterflies
- Honey Bees
- Indiana's Wild Turkeys

Registration for the Indiana Master Naturalist Course is \$50.

Registration deadline: March 3.

The cost of the course covers your classroom materials. Class members are responsible for travel arrangements to various meeting locations.

Registration is first come, first served and is limited to 30 participants. Registrations received after the limit of 30 will go on a waiting list.

Registration is confirmed upon receipt of registration form and accompanying payment.
